

Speedups 1991-2008

Suppose you were given the following choices:

- ▶ **Option 1:** Solve a MIP with today's solution technology on a machine from 1991
- ▶ **Option 2:** Solve a MIP with 1991 solution technology on a machine from today

Which option should you choose?

- ▶ **Answer:** Option 1 would be faster by a factor of over 200.
